Dimension: height 60 cm, Ø 25 cm

Description: black or silver grey epoxy-powder coated sheet-steel ashtray - waste paper basket. These articles are fitted with a zinc-plated steel double bottom to protect the high-tech polymer base and the flooring from any flames that may develop inside the bin. Black shockproof high-tech polymer base, with a ribbed bottom to make it even more sturdy. The bin has a hole at the front to insert waste and a removable ashtray, made from natural aluminium with a removable ashtray cover in chrome-plated sheet-steel.

Accessories: liner holder code 472

Codes: **472**
