# BELL

EU Version

Bell Lamp X-Small - EU Version

23 cm

Ø 22 cm

DESCRIPTION
The Bell lamp takes its starting point in the iconic shape of a bell. Special attention has been payed to the details, emphasizing the gathering point between the cord and the lamp itself in a contemporary way. With its industrial, yet friendly look Bell is ideal for both home decors and professional environments.

DESIGN
Andreas Lund & Jacob Rudbeck, 2012

MATERIAL
Powder Coated Aluminum

CONSTRUCTION
The four different sizes of the Bell collection share the same shape, which is connected to the cable in the top part. The construction with a rubber band detail connects the cable and shade permanently. All shades are white on the inside for optimal light reflection.

MAINTENANCE
Clean with damp cloth. Avoid use of all-prupose cleaners and others degreasing detergents.

CORD
4 m textile cord (white shade - white cord / grey shade - black cord / black shade - black cord / sand shade - brown cord).

CANOPY
